Hazard Violation Definitions

1. Parking in a designated fire lane or emergency vehicle zone.
2. Parking in a loading zone.
 - 2.1. Only authorized vehicles can actively load and unload in loading zones.
3. Parking beyond the allowable time in an area with timed restrictions.
 - 3.1. Authorized vehicles may occupy loading zones a maximum of fifteen minutes. Vehicles may temporarily occupy loading zones in ungated permit parking areas for a maximum of fifteen minutes. This is intended for contractors, faculty, staff and students who need to load or unload heavy equipment, projects, or packages.
4. Failure to display hazard (flashing) lights while in a loading zone.
 - 4.1. Vehicles must have hazard lights on while loading and unloading.
5. Driving on campus grounds or walkways.
 - 5.1. Only vehicles with special permission from the University Police or Facilities Management are authorized to drive on campus grounds or walkways. Vehicles without special permission are not permitted to drive on campus grounds even if the gate poles are in the down position.
6. Driving in excess of campus speed limit or in a manner likely to endanger life or property. The campus speed limit is 15 miles per hour, and 10 miles an hour in all garages.
7. Parking motorcycles or vehicles in buildings or at bike racks. Motorcycles are characterized as anything that uses gasoline.
8. Parking in driveways / yellow curbs.
9. Parking vehicles in an unsafe manner.
 - 9.1. Vehicles parked on a grade should have the emergency brake set. Keys should never be left in the ignition of a parked vehicle. In the event your vehicle causes unsafe conditions, a ticket will be issued.
